Scott,

You can mark both AIM recycling facilities as "Did not export".

Have you received the Annual Report from B&M facility? We received an email on Monday from Mr. Iseler stating that he had mailed it to you on Saturday. If you did receive it please make sure you let him know.

I will call Harvey Metals on Friday since it is the only weekday they are open.

Now...where are we on outstanding companies? How many are we still waiting on and do we know for sure that they owe us an Annual Report?

When can I receive all the Annual Reports that have come in since the last time you sent me pdfs? As I stated on Monday, I have to finish responding to the FOIA and/or ask for an extension of time based on however many ARs we are still waiting on.
